

W Welcome

On behalf of all of the members and staff of Congregation Gates of Prayer, we would like to thank you for expressing an interest in joining our congregation. We know that you will find that Congregation Gates of Prayer is, above all, a caring Jewish community that extends its concerns to all of its congregants.

Committed to the dynamic spirit of Reform Judaism, Congregation Gates of Prayer is an active, vibrant, and warm community in which Jewish learning and meaningful prayer flourish. We provide extensive educational opportunities for youngsters and adults that enable our members to make informed choices in shaping their own Jewish expression and observance. Our worship services, including the inspirational leadership of Rabbi Robert H. Loewy and the beautiful melodies of our cantorial soloist Victoria May, provide for wonderful Shabbat and holiday observance. And while we are not praying and learning, we find other opportunities to get together: brunches, pot-luck dinners, parties, lectures, book reviews, social action projects, and much, much more.

We wish to welcome all who desire to participate in the joy of Jewish life. We invite you to share with us our love of Judaism and to seek your personal spiritual expression with our congregation. If we can be of help in any way, please feel free to call upon us.

B'Shalom,

Rabbi Robert H. Loewy
