

NURSERY SCHOOL

Since 1975, the Louise Hayem Manheim Nursery School has been a joy to children and parents alike.

It is the philosophy of our Nursery School that early childhood should be a time of fun, warmth, security, exploring and discovery. Nursery School children are creative and receptive; the staff strives to nurture and encourage these qualities in the children who attend. Our Nursery School provides an atmosphere that encourages social, emotional, intellectual, and physical growth and development of the child as a whole.

The program emphasizes Jewish values and practices, customs and ceremonies of the Shabbat, High Holy Days, and the other holidays throughout the year.

The Nursery School's curriculum is tailored to meet the educational and emotional needs of its students in a warm and personal atmosphere. If you have a Nursery School age child, please come visit our wonderful facility. The director, Mary Ann Hofman, will be happy to give you a tour. Call her at 885-4339.
